

# COLORADO SPRINGS BOWLING ASSOCIATION

## HALL OF FAME

The Colorado Springs Bowling Hall of Fame was founded in 1984 with the intent of perpetuating the names of those male bowlers who have contributed to the growth and welfare of the game of American Tenpins by their bowling ability and/or service to the Colorado Springs Bowling Association. The ceremony honors a selectee into the Hall of Fame. It is felt this individual, by his credentials, continues the standard established by his predecessors.
