# MASTERS SCRATCH TOURNAMENT RULES 2019-2020

## PRIOR TO THE TOURNAMENT

- 1. Eligibility:** This is an individual tournament open to all USBC members. Entries are limited to 128 entrants.
- 2. Participation:** Competition consists of 12 games total, with 6 games at each center. There will be 3 rounds to this tournament. Qualifying round 1, qualifying round 2, and the finals.
- 3. Entry Fee:** Entry fee is \$140 if paid by September 25, \$150 after September 25, including walk-ins. Walk-ins will be allowed only if space is available.
- 4. No Refunds:** If bowler does not bowl, is a no-show, or is unable to complete the qualifying rounds, no refunds will be issued. Replacement bowlers will be taken from the standby list.
- 5. Prize Ratio:** 1 in 3. All match play finalists will cash.

## AT THE TOURNAMENT

- 6. Dress Code:** Collared shirts or mock bowling shirts for all. Men- dress slacks. Ladies- skirts, skorts, or slacks. No hats, no shorts, no tank tops, no jeans. A shirt with your name on the back is recommended.
- 7. Check-in Times:** Squad 1: 8:00 a.m. check in, 9:00 a.m. start. Squad 2: 1:00 p.m. check in, 1:30 p.m. start.
- 8. Lane Assignments:** Lane assignments are assigned by the tournament director. Contestants may request a starting center on the entry form and every attempt will be made to honor each request. Every effort will be made to keep the number of bowlers at each center as equal as possible.
- 9. Tardy Bowlers:** The tardy bowler will compete but with ZERO scores for all frames bowled and may continue to bowl on their assigned lanes.
- 10. Substitutes:** Any substitutes will be taken from the stand-by list ONLY.
- 11. Score Sheets:** After a score sheet has been signed by the contestant, it cannot be changed except in the case of an obvious error in scoring or calculation. Bowlers are cautioned to sign the score sheet only after ensuring its accuracy. Computer printouts from the participating center will be the official score sheets in all cases. These will be kept on file for ten days.
- 10. Courtesy:** One-lane courtesy is in effect for the entire tournament.

## FINALS

- 11. Participation:** Total pins in the qualifying rounds determine the final field that will begin match play on Sunday, 9/29/19. 16 bowlers qualify for the match play round. Last year's defending champion automatically gets a spot in this year's double-elimination match play and will be seeded in the 16th position, unless said defending champion qualifies for a higher position. Upon completion of the qualifying round, if a tie exists for the final position needed to complete the match play field, one complete game will be bowled by all bowlers who are tied, at the start of Sunday at finals center. If a tie still exists after said game, a ONE BALL ROLL-OFF will be bowled until the tie is broken. Said roll-off will be bowled on same lane each participant finished the additional roll-off game. Bowler on odd lane will bowl first, but instead of completing the frame, they will alternate shots until the match is decided. Failure of any contestant to remain available in case of a tie, will constitute a forfeiture.
- 12. Roll Call Times:** 8:30 a.m. If any player is not there by 8:30 a.m., an alternate will be called. Pairings-#1-#16, #2-#15 etc. One player per lane. After opening matches, pairings and lane assignments will be in accordance with normal bracket system. Bowlers will receive 10 minutes of practice prior to first match of finals.
- 13. Tardy Bowlers:** If a bowler is unable to compete or does not appear for first round of match play, an alternate will be given the place of said bowler. Non-appearance with no alternate will constitute forfeiture of match.
- 14. Double Elimination:** The double-elimination format of competition requires a participant to lose twice before being eliminated. All players start in the winner's bracket and after losing one match enter contender's bracket. The undefeated survivor of winner's bracket will be matched against the winner of contender's bracket, whose record shows only one defeat in the championship match. If the winner's bracket bowler wins the first match, that bowler will be the champion. A victory of bowler in contender's bracket will result in a second match to determine the winner.
- 15. Bowling Balls:** Every ball used during qualifying must be listed on the qualifying score sheet. All balls used MAY be randomly weighed and must meet USBC specifications. Any ball found that is in violation of USBC rules will be cause for disqualification and forfeiture of all entry fees and prize money won. Once practice is over and competition begins, surface alteration will not be allowed. During competition, a bowler may clean his ball using a **shammy or dry towel only**.

In the event that the winner of the PPUSBC Masters cannot attend the USBC Masters event, the entry will be offered to 2<sup>nd</sup> place finisher.

**USBC rules and regulations will apply in all instances not specifically covered in the above rules as stated. The PPUSBC tournament director will make ruling on all questions, disputes, and rules not covered by these tournament rules.**
